BURLEY, IDAHO

Burley, Idaho
April 20, 1926

Mr. Reid Jerman
State Engineers Office
Salt Lake City, Utah

Dear Reid:

Your telegram of the 19th. received
and in reply will say that I am not inter-
ested in the proposition down in Mt. Pleas-
ant this season.

I think, perhaps, I shall be with
McBride, or the State of Idaho on the Snake
River ~~again~~.

Thanking you for your interest shown
and wishing you the best of success, I am,

Respectfully,

Lester Bower
